ON PETITION

This is in response to the "Request for Reconsideration of Petition under 37 CFR 1.47(a)", filed February 11, 2003.

The petition is granted.

Petitioner has shown that the non-signing inventor has either refused to join in the filing of the above-identified application or is unable to be located.

The application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in 37 CFR 1.47(a), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

The application file is being forwarded to the Office of Initial Patent Examination.

Telephone inquiries regarding this decision should be directed to Marianne Morgan at (703) 306-3475.

RENEWED PETITION UNDER 35 U.S.C. §116 AND 37 CFR § 1.47(a)

Sir:

In response to the Dismissal of Petition mailed December 3, 2002, Applicant submits a renewed petition pursuant to 35 U.S.C. §116 and 37 C.F.R. §1.47(a) to accept the enclosed Declaration, find the Notice to File Missing Parts complied with, and move the application to examination.

1. Enclosed please find a Declaration signed by two of the three inventors. Steven N. Parnis is no longer employed by Kriton Medical, Inc., the Assignee, and we have been unable to obtain Dr. Parnis' signature on the Declaration.

2. Applicant's attorneys have attempted to find Dr. Parnis' current address. The last known address of Dr. Parnis is 7827 Prospect Court, Granite Bay, CA 95746.

3. Applicant's attorneys have identified an attorney, Mr. Etan Rosen, who represents Mr. Parnis. Applicant has contacted Mr. Rosen on several occasions. Applicant has mailed letters to Mr. Rosen dated October 1, 2002 and January 8, 2003. Applicant has had at least two telephone

conversations with Mr. Rosen on January 3 and January 8, 2003. On each of the above occasions Applicant requested that Mr. Rosen forward the declaration to Dr. Parnis for his execution.

4. As is reflected in the attached letter dated January 8, 2003, Mr. Rosen confirmed that he had forwarded the declaration to Dr. Parnis on or about December 9, 2002. Mr. Rosen stated that Dr. Parnis had refused to sign the Declaration.

5. As reflected in the attached January 8 letter, Mr. Rosen refused to provide the address or telephone number of Dr. Parnis.

6. Mr. Rosen advised that Dr. Parnis is no longer located in California, but resides in the Houston area.

7. On January 13, 2003 Applicant called directory assistance and requested a telephone listing in or around Houston for Stephen Parnis and was advised that no such listing was present.

8. On January 13, 2003, Applicant conducted an Internet search for Dr. Parnis on U.S. Search.com (enclosed) which returned a street address of 19200 Space Center Blvd., Unit 28, Houston, Texas.

9. On January 14, 2003, Applicant again mailed a copy of the patent application and a Declaration to Dr Parnis at the address at 19200 Space Center Blvd. via certified mail return receipt requested (copy of letter and Declaration enclosed). Applicant has failed to receive a response or return of the return receipt.

Applicant has acted diligently since submission of patent application to obtain Dr. Parnis' address and obtain his signature on the Declaration. In view of Dr. Parnis' failure to return a signed Declaration, Applicant requests the application be found complete and moved to examination.

Applicant provides herewith a Petition fee of \$130.00 pursuant to §1.17(h).

Applicant authorizes withdrawal from account 19-1351 if additional fees are required.

Respectfully submitted,

David L. Newman
